

FEC 2019

11th French Econometrics Conference

November 14-15, 2019
Marseille (France)

KEYNOTE SPEAKERS

Yacine Ait-Sahalia, Princeton University

Jean-Marie Dufour, McGill University

Jean Jacod, Université Pierre et Marie Curie

Yongcheol Shin, University of York

The 2019 edition will be held at Aix-Marseille School of Economics (AMSE), Marseille.

It is an annual conference on theoretical and applied econometrics organized by various French universities and research centers. All areas of econometrics (micro, macro, theory and finance) are covered.
